went hunting in a mountain and had great gains. In memory of the chief, the Tsou tribe named the Alishan. During the Japanese occupation, the Japanese chopped the forests and shipped the wood back to Japan. However, the deforestation had irritated the tree god that the Japanese set up a tower to worship the tree god. Alishan is very famous for the sunrise view and the cloud ocean. The clouds are so dense and thick that the mountaintops appear like islands on the cloud ocean. The best time to watch the cloud season is autumn and visitors can go to Ziyun Temple, Alishan Hotel, Alishan Rail Station, Zaoping Park and the first parking lot. In addition, the Alishan Forest Railway is also very famous because it is one of the three mountain rails in the world. Forest Tour /(阿里山國家風景區)
